

Memory Andrew Lloyd Weber (Cats)

Hear this song at: <http://www.youtube.com/watch?v=RhIJZdQDz5E> (play along with strings detuned 2 semitones FBbDG)

From: Richard G's Ukulele Songbook www.scorpex.net/Uke
Simplified....

[C] Midnight not a sound from the [Am] pavement
Has the moon lost her [F] memory she is smiling a [Em] lone
In the [Dm] lamplight the withered leaves co [Am] llect at my feet
And the [G7] wind be [F] gins to [C] moan

[C] Memory all alone in the [Am] moonlight
I can smile at the [F] old days I was beautiful [Em] then
I re [Dm] member the time I knew what [Am] happiness was
Let the [G7] memory [F] live a [C] gain

[Em] Every [F] street lamp [Em] seems to [F] beat
A [Em] fata [C] li [D7] stic [G] warning
[Em] Someone [Am7] mutters
And a [D7] street lamp [G] gutters
And [Em] soon it [A7] will be [D] morning

[C] Daylight I must wait for the [Am] sunrise
I must think of a [F] new life and I mustn't give [Em] in
When the [Dm] dawn comes tonight will be a [Am] memory too
And a [G7] new day [F] will be [C] gin

[Em] Burnt out [F] ends of [Em] smoky [F] days
The [Em] stale cold [C] smell [D7] of [G] morning
The [Em] street lamp [Am7] dies
Another [D7] night is [G] over
A [Em] nother [A7] day is [D] dawning.

[C] Touch me it's so easy to [Am] leave me
All alone with my [F] memory of my days in the [Em] sun
If you [Dm] touch me you'll understand what [Am] happiness is
Look a [G7] new day [F] has be [C] gun.
