

The Inner light BEATLES

E D A

Without going out of my door
I can know all things of earth
Without looking out of my window
I could know the ways of heaven

A E

The farther one travels

E D

The less one knows

D A

The less one really knows

E D A

Without going out of your door
You can know all things of earth
With out looking out of your window
You could know the ways of heaven

E A E

Do all without doing

The farther one travels

The less one knows

The less one really knows

E A E E

Arrive without traveling

E A E

See all without looking
