**G C D G** Chords: Aaron Sechrest

We have just discovered an important note from space

**G C D G**

The Martians plan to throw a dance for all the human race.

Papa ooh mir mir, Papa ooh mir mir, Papa ooh mir mir, Papa ooh mir mir

Papa ooh mir mir, Papa ooh mir mir, Papa ooh mir mir, Papa ooh mir mir

**G C D G**

Eeeee-eeee-eeee eee

**G C D G**

Eeeee-eeee-eeee eee

**G C D G**  
I got into my rocket ship to see the Martian Hop

**G C D G**  
I saw the planet shining red, so there I made my stop

**G C D G**  
But as I opened up the door and climbed the ladder down

**G A D G**  
I saw the Martians on the floor a-dancin' to this sound:

**G A D G**

**G A D G**

**G A D G**

**G A D G**

**G C D G**

Eeeee-eeee-eeee eee; the Martian Hop

**G C D G**

Eeeee-eeee-eeee eee

**G C D G**  
It seems I was the first one there, and so I was surprised

**G C D G**  
To see the Martians twist and stomp before my very eyes

**G C D G**  
They did the Loco-Motion and the Hully-Gully too

**G C D G**  
I couldn't name a single dance the Martians couldn't do.

**G C D G**

**G C D G**

**G C D G**

**G C D G**

**G C D G G C D G**

Eeeee-eeee-eeee eee; the Martian Hop; eeeee-eeee-eeee eee

**G/A C/D D/E G/A**  
At right around the stroke of twelve the dance had just begun

**G/A C/D D/E G/A**  
The earth kids parked their spaceship down on Mars to have some fun

**G/A C/D D/E G/A**  
And so I left my friends, the Martians, stomping on the ground

**G/A C/D D/E G/A**  
And even though I'm back on earth I still can hear this sound:

**G/A C/D D/E G/A**

**G/A C/D D/E G/A**
