C Am C Am  
 Blizzard blowin' round, five feet on the ground  
**my** D7 G G7  
 But your strings transform... cold into warm  
 C Am  
 When the weather makes me sad I oughta  
 C Am D7 G C C Am C Am C/  
 Sing out that I'm glad I got a ukulele... in a snowstorm

C Am C Am  
 Now I'm singing to the shoreline and... strummin' that sunshine  
 D7 G// (stop)  
 'Cause your chords transport... without even needing an airport  
 C Am C Am  
 On a day that's cloudy you can fly me right to Maui  
 D7 G C C Am C Am  
 That's a... ukulele in a snowstorm

E7 Am  
 If I'm feelin' wacky, if I'm feeling like a kook  
 D7 G// (stop)  
 I just pick you up 'cause there's... nothing like a uke to make me

C Am C Am  
 Feel like I'm swaying in the breeze where I'm laying  
 D7 G// (stop)  
 Oh, the joy it brings... with just four strings  
 C Am  
 When the darkness makes me sad, I oughta

 Sing out that I'm glad, I got a ukulele... in a snowstorm

F C G G7 C C7  
 Palm trees are gently waving. My heart is aching... because I love you  
 F C G C Am C Am  
 Moonlight shining so brightly. I travel nightly, lonesome and blue
