## Chorus:

**G C G**  
Weary blues from waiting  
**A7 D7**  
Lord I've been waiting too long  
**G C G**  
These blues have got me crying  
**D7 G**  
Oh sweet mamma please come home

**G C G**  
The snow falls 'round my window  
**C G**  
But it can't chill my heart  
**C G**  
God knows it died the day you left  
**D7 G**  
My dream world fell apart (Repeat Chorus)

**G C G**  
Through tears I watch young lovers  
**C G**  
As they go strolling by  
**C G**  
Oh all the things that might have been  
**D7 G**  
God forgive me if I cry (Repeat Chorus)
