C....|.... D7....|....  
All by myself in the morning  
G7....|.... C.... G7....  
All by myself in the night  
C....|.... B7.... E7....  
I sit alone with a table and a chair  
Am.... D7....  
So unhappy there  
G7....|....  
playin' solitaire

C....|.... D7....|....  
All by myself I get lonely  
G7....|.... E7....|....  
Watching the clock on the shelf  
F....|....  
I wanna rest my weary head  
C.... A7....  
on somebody's shoulder  
D7....  
How I hate to grow older  
G7.... C.... G7....  
all by myself

C....|....|....|....  
I'm so unhappy, what'll I do  
G7....|....  
I long for somebody who,  
C.. A7.. F..  
Will sympathize with me;  
G7.. C....|....|.... A7....  
I'm growing so tired of being alone,  
D7....|....|....  
I lie awake all night and cry  
G7....  
Nobody loves me that's why.
