Verse:

We're ^F used to ^G repetition, so we ^C drew up a ^{Am} petition

We, the ^{Dm} undersigned, feel ^G undermined

Let's ^C redefine ^{C7} "employment"

And sit ^{Dm} back while we ^G attack the utter ^C lack of our ^{C7} enjoyment

It may be ^F tough to ^G swallow, but our ^C threats are far from ^{Am} hollow

He may ^{Dm} thunder, but if he ^G blunders, he may ^C wonder where the ^{C7} toys went

Chorus:

^F ^G ^C ^{C7}
I make toys, but I've got aspirations

^F ^G ^C
Make some noise

^{C7}
Use your imagination

^F ^G ^C ^{C7} ^{Dm}
Girls and boys, before you wish for what you wish for

^G
There's a list for who's been

^{Dm} ^C ^F ^G
Naughty or nice, but consider the price

^{Dm} ^C ^F ^G
Naughty or nice, but consider the price

Naughty or nice, but consider the price to an elf
