

Blue - LeAnn Rimes

C7.... F7.... Bb.... F7....

Bb.... D7....
Blue, blue
G7....|....
Lonesome, lonesome for you
C7.... F7....
Why can't you be blue over
Bb.... F7....
me?

Bb.... D7....
Blue, blue
G7....|....
Lonesome, lonesome for you
C7.... F7....
Tears fill my eyes 'till I
Bb.. F.. Bb....
can't see

D7....|....
Three o'clock in the morning,
G7....|....
here am I
C7....|....
Sitting here so lonely,
F.... F7....
so lonesome I could cry

Bb.... D7....
Blue, blue
G7....|....
Lonesome, lonesome for you
C7.... F7....
Why can't you be blue over
Bb.. F.. Bb....
me?

D7....|....
Now that it's over
G7....|....
I've realized
C7....|....
Those weak words you whispered
F.... F7....
Were nothing but lies

Bb.... D7....
Blue, blue
G7....|....
Lonesome, lonesome for you
C7.... F7....
Why can't you be blue over
Bb.... G7....
me?
C7.... F7....
Why can't you be blue
Bb.. F.. Bb.
over me?
