

COME SAIL AWAY, STYX (1977)

C I'm G sailing Am away
F Set an open course for the G virgin sea
C I've G got to be Am free
F Free to face the life that's a- G head of me
Am On board I'm the captain, G so climb aboard
Am We'll search for tomorrow G on every shore
& I'll C try — G oh, Lord, I'll Am try — F to G carry C on

C I G look to Am the sea
F Reflections in the waves spark my G memory
C Some G happy, some Am sad
F I think of childhood friends & the G dreams we had
Am We'll live happily forever, G so the story goes
Am But somehow we missed out G on that pot of gold
But we'll C try — G best that we Am can — F to G carry C on

A C gathering of F angels G appeared above my F head
They C sang to me this F song of hope
& G this is what they F said

They said

C Come Sail Away F Come Sail Away G Come Sail a-F way
C Come Sail Away F Come Sail Away G Come Sail a-F way

I C thought that they were F angels G but to my sur- F prise
They C climbed aboard their F starship, & G headed for the F skies
Singing

C Come Sail Away F Come Sail Away G Come Sail a-F way
C Come Sail Away F Come Sail Away G Come Sail a-F way

C I'm G sailing Am away
F Set an open course for the G virgin sea
C I've G got to be Am free
F Free to face the life that's a- G head of me
Am On board I'm the captain, G so climb aboard
Am We'll search for tomorrow G on every shore
& I'll C try — G oh, Lord, I'll Am try — F to G carry C on
