[Was her \[A7\] great big feather \[D\] bed](#)

[D] When I was a [G] little bitty boy [D] just up off the [A7] floor
We [D] used to go out to [G] Grandma's house
[D] every month [A7] end or [D] so
We'd [D] chicken pie and [G] country ham,
And [D] home made butter on the [A7] bread
But the [D] best darn thing about [G] Grandma's house
Was her [A7] great big feather [D] bed

It was [D] nine feet high and six feet wide, [G] soft as a downy [D] chick
[D] It was made from the feathers of forty 'leven geese,
Took a [E7] whole bolt of cloth for the [A7] tick
It'd [D] hold eight kids 'n' four hound dogs and a [G] piggy we stole from the [D] shed
[D] We didn't get much sleep but we [G] had a lot of fun on
[A7] Grandma's feather [D] bed

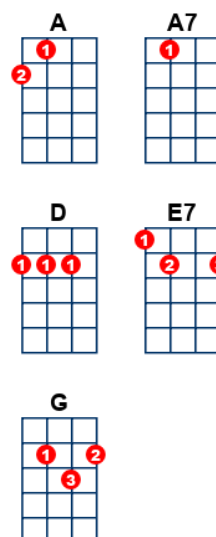

[But the \[D\] best darn thing about \[G\] Grandma's house](#)
[Was her \[A7\] great big feather \[D\] bed](#)

[D] After supper we'd [G] sit around the fire,
the [D] old folks would spit and [A7] chew
[D] Pa would talk about the [G] farm and the war,
and my [D] Granny'd sing a [A7] ballad or [D] two
I'd [D] sit and listen and [G] watch the fire till the [D] cobwebs filled my [A7] head
[D] Next thing I'd know I'd [G] wake up in the mornin'
in the [A7] middle of the old feather [D] bed

It was [D] nine feet high and six feet wide, [G] soft as a downy [D] chick
[D] It was made from the feathers of forty 'leven geese,
Took a [E7] whole bolt of cloth for the [A7] tick
It'd [D] hold eight kids 'n' four hound dogs and a [G] piggy we stole from the [D] shed
[D] We didn't get much sleep but we [G] had a lot of fun on
[A7] Grandma's feather [D] bed

[D] Well I love my Ma, [G] I love my Pa, love [D] Granny and Grandpa [A7] too
Been [D] fishing with my uncle, I've [G] rassled with my cousin,
I even [D] kissed my [A7] Aunty [D] Lou eww!
[D] But if I ever had to [G] make a choice, I [D] guess it ought to be [A7] said
That I'd [D] trade `em all plus the [G] gal down the road
For [A7] Grandma's feather [D] bed
Yes I'd [D] trade `em all, plus the [G] gal down the road (spoken: maybe not the gal)

It was [D] nine feet high and six feet wide, [G] soft as a downy [D] chick
[D] It was made from the feathers of forty 'leven geese,
Took a [E7] whole bolt of cloth for the [A7] tick
It'd [D] hold eight kids 'n' four hound dogs and a [G] piggy we stole from the [D] shed
[D] We didn't get much sleep but we [G] had a lot of fun on
[A7] Grandma's feather [D] bed

It was [D] nine feet high and six feet wide, [G] soft as a downy [D] chick
[D] It was made from the feathers of forty 'leven geese,
Took a [E7] whole bolt of cloth for the [A7] tick
It'd [D] hold eight kids 'n' four hound dogs and a [G] piggy we stole from the [D] shed
[D] We didn't get much sleep but we [G] had a lot of fun on
[A7] Grandma's feather [D] bed

Didn't get much sleep but we [G] had a lot of fun on [A] Grandma's, Grandma's
Grandma's, - feather [D] bed
