

I Get the Blues When It Rains_ by Klauber/Stoddard 1928

G....|.... D.... B7....
E7.... A7.... D.... A7....

D.... G.... A7....|....
I get the blues when it rains
A7....|.... D.... D7....

The blues I can't lose when it rains
G....|.... D....
Each little rain drop that falls on my
B7....

window pane
E7....|.... A7.(.)
Always reminds me of the tears
G.(.) A7....
I've shed in vain

D.... G.... A7....|....
I sit and wait for the sun
A7....|.... D7....|....

To shine down on me once again
G....|....

It rained when I found you,
D.... B7....

it rained when I lost you
E7.... A7....

That's why I get the blues
D.... A7....

when it rains

D.... A7.... D....|....
It was raining dear when I met you
E7.... A7.... D....|....

You smiled, the sun shone through

D.... A7.... D....|....
Then it rained again and I lost you

E7....|.... A7....|....
Just why, I never knew

A7....|....

Now every time the storm clouds gather

D.... B7....
way up in the sky

E7....|....

I see them all and I recall

E7.... A7....

Those happy days gone by

D.... G.... A7....|....

I get the blues when it rains

A7....|.... D.... D7....

The blues I can't lose when it rains

G....|.... D....

Each little rain drop that falls on my
B7....

window pane

E7....|.... A7.(.)

Always reminds me of the tears I've

G.(.) A7....

shed in vain

D.... G.... A7....|....

I sit and wait for the sun

A7....|.... D7....|....

To shine down on me once again

G....|....

It rained when I found you,

D.... B7....

it rained when I lost you

E7.... A7....

That's why I get the blues

B7....|....

when it rains

E7.... A7....

That's why I get the blues

D.. G.. D.(.)

when it rains
