

I'm Always Chasing Rainbows 1917 - Lyrics by Joseph McCarthy/Music by Harry Carroll, adapted from *Fantaisie-Impromptu* by Frédéric Chopin

Gm7.... G7.. C7.. F.... C7....

F.... Bb.... F....|....  
I'm always chasing rainbows  
Bb.. F.. C.. F.. C.... C7....  
watching clouds drifting by  
D7....|.... Gm7....|....  
my schemes are just like all my dreams,  
G7....|.... C.... C7....  
ending in the sky

F7....|....  
Some fellows look and find the sunshine  
Bb....|....  
I always look and find the rain  
D7....|....  
Some fellows make a winning sometime  
G7.... C.. C7..  
I never even make a gain. Believe me .

F.... Bb.... F.... D7....  
I'm always chasing rainbows  
Gm7.... G7.. C7.. F....|....  
waiting to find a little blue bird in vain!

F7....|....  
Some fellows look and find the sunshine  
Bb....|....  
I always look and find the rain  
D7....|....  
Some fellows make a winning sometime  
G7.... C.. C7..  
I never even make a gain. Believe me .

F.... Bb.... F.... D7....  
I'm always chasing rainbows  
Gm7.... G7.. C7.. F....|. Bb. F.  
waiting to find a little blue bird in vain!
