C Some times in our **F** lives, we all have **C** pain
We all have **Em G** so-rrow
C But if we are **F** wise we know that **C** there's always to-morrow
C Lean on me, when you're not **F** strong, and I'll be your **C** friend
I'll help you **Em G** carry on
C For it won't be **F** long, 'till I'm gonna **C** need
Somebody to **G C** lean on
C Please swallow your **F** pride
If I have **C** faith you need to **Em G** bo-rrow
C For no-one can **F** fill those of your **C** needs
That you won't **G C** let show

Acapella

C Just call on me **F C** bro-ther when you need a hand
We all need somebody to **G C** lean on
I just might have a **F C** pro-blem that you'll understand
We all need somebody to **G C** lean on
