Safety Dance (Men Without Hats, 1983)

Intro: C for 4 bars, with Kazoo riff

[**C**] We can dance if we want to, we can [**Bb**] leave your friends be-[**F**]-hind
'Cause your friends don't dance and [**Bb**] if they don't dance
Well they're [**C**] no friends of [**G**] mine
I say, [**C**] we can go where we want to a place that [**Bb**] they will never [**F**] find
And we can act like we come from [**Bb**] out of this world
Leave the [**C**] real one far be-[**G**]-hind
And we can [**F**] dance and [**Bb**] sing [**Eb**] [**Ab**] [**F**] [**Bb**] [**Eb**] [**Ab**]

[**C**] We can go when we want to. The night is [**Bb**] young and so am [**F**] I
And we can dress real neat from our [**Bb**] hats to our feet
And sur-[**C**]-prise 'em with the victory [**G**] cry
Say, [**C**] we can act if want to, if we [**Bb**] don't nobody [**F**] will
And you can act real rude and [**Bb**] totally removed
And I can [**C**] act like an imbe-[**G**]-cile
