

Sugar Moon by Bob Wills/Cindy Walker 1947

C....|.... D7....|....
G7....|.... C.... G7.(..).

C....|....
When it's sugarcane time
D7....|....
All around about June
G7....|....
I'll be walking with sugar
C.... G7.(..).
'neath that old sugar moon

C....|....
Gonna drop him a line
D7....|....
to expect me soon
G7....|....
Say I'm craving some sugar
C.... C7....
'neath that old sugar moon

F....|....
I can see him right now,
C....|....
he'll get the calendar down
D7....|....
Scratch a circle around
G7....|.(..).
the day we're altar bound

C....|....
When it's sugarcane time
D7....|....
long around about June
G7....|....
Wedding bells will be chiming
C.... G7.(..).
'neath that old sugar moon

C....|....
When the sugar moon shines
D7....|....
All along about June
G7....|....
I'll be walking with sugar
C.... G7.(..).
'neath that old sugar moon

C....|....
All the kisses I missed
D7....|....
I'll be getting 'em soon
G7....|....
Sugar kisses from sugar
C.... C7....
'neath that old sugar moon

F....|....
I'm dreaming sweet dreams
C....|....
of all the loving I'll get
D7....|....
'Til I get back to my pet
G7....|.(..).
lordy how I'll fret

C....|....
When it's sugarcane time
D7....|....
long around about June
G7....|....
I'll be walking with sugar
C.... D7....
'neath that old sugar moon
G7....|....
I'll be walking with sugar
C....|.(..).
'neath that old sugar moon
