Teenager in Love

```
INTRO:    C  Am  F  G7 (2x)    C    Am        F      G7    (2x)
                                OO  OO    Wa OO  OO
```

```
C                Am                  F            G7
```
Each time we have a quarrel, It almost breaks my heart
```
C          Am          F            G7
```
'Cause I am so afraid, That we will have to part.
```
C          Am          F            G7
```
   Each night I ask the stars up above,
```
C (Tacet)                    F (1 strum)
```
     Why must I be a teenager in love.
```
C            Am              F              G7
```
Sometimes I feel so happy, Sometimes I feel so sad
```
C          Am          F          G7
```
I guess I'll have to take, The good with the bad
```
C            Am        F          G7
```
   Each night I ask the stars up above
```
C (Tacet)                    F (1 strum)
```
     Why must I be a teenager in love.

```
F          G7   F                  G7
```
I cried a tear for nobody but you,
```
F              G7              F                        G7
```
I'll be the lonely one, If you should say we're through.
```
C                Am              F                G7
```
So if you want to break my heart, That won't be so hard to do
```
C                Am              F              G7
```
And If you should say goodbye, I'd still go on loving you.
```
C          Am        F          G7
```
   Each night I ask the stars up above
```
C (Tacet)                    F (1 strum)
```
     Why must I be a teenager in love.

```
C            Am        F          G7
```
Why must I be a teenager in love.
```
C            Am        F          G7
```
Why must I be a teenager in love
```
     C      Am        F    G7
```
IN LO - - VE   WA OO   OO
```
C          Am        F    G7                C  (Tacet)
```
IN LO - - VE   WA OO   OO   IN LOVE.
