[C] [C#] x 2

[C] One pill makes you larger and
[C#] one pill makes you small
and the [C] ones that mother gives you don't do
[C#] anything at all

Go ask [Eb] Alice [F#] when she's [G#] ten feet [Eb] tall

[C] And if you go chasing rabbits
and you [C#] know you're going to fall
Tell 'em a [C] hooka smoking caterpillar has
[C#] given you the call

Call [Eb] Alice [F#] when she was [G#] just [Eb] small

[Bb] When the men on the chessboard get up
[Eb] and tell you where to go
and you [Bb] just had some kind of mushroom
and your [Eb] mind is moving on
go ask [C] Alice, I think she'll [C] know

[C] When logic and proportion have [C#] fallen sloppy dead
and the [C] white knight is talking backwards
and the red [C#] queen's off with her head

[Eb] Remember [F#] what the [G#] dormouse [Eb] said
[Eb] [Bb] Feed your [Eb] head!
[Eb] [Bb] Feed your [Eb] head!
[Eb] (Single Strum)
