Intro: C | C | Dm | Dm | G7 | G7 | C / | 2,3,4

[C] Oh, every time we go downtown
The [Dm] boys watch you walk by
[G] You don't see their eyes
Oh but I [C] bet you [Am] hear their [Dm] sighs [G]
[C] The whole darn town's in love with you
[Dm] But here's the funny part
[G7] That you love me, girl
Bless your foolish [C] heart

Look at the [Dm] quarterback
And the [G7] mayor's son
And the [C] smartest [G] guy in [C] school
You could have [Am] had the [Em] best and [Am] brightest
And you [D] chose the biggest [G] fool
Oh, you [C] may be too good for me
But [Dm] you can't be too smart
Not if [G7] you love me, girl
Bless your foolish [C] heart

Instrumental:

Dm | G7 | C G | C |
Am Em | Am | D | G |

[C] I guess I'll have to learn to live
With [Dm] being Mr. You
But [G7] what else can I do?
Oh, [C] I just [Am] hope it's [Dm] true [G]
[C] 'Cause I've been doin' wrong so long
I've [Dm] made it a fine art
[G7] So if you love me, girl
[Dm] Bless your [G7] foolish [C] heart

Even the [Dm] wannabe [G] society
Why [C] they're all completely sold
And Mr. [Am] Murphy [Em] dreams [Am] about you
And [D] he's ninety nine years [G] old
Oh, [C] you may be too good for me
But [Dm] you can't be too smart
Not if [G7] you love me, girl
[Dm] Bless your [G7] foolish [C] heart
Yes, if [Dm] you love me, girl
[G7] Bless your foolish [C] heart
