Despe-rado why don't you come to your senses

G Em A7 D7
You've been out ridin' fences for so long now

G G7
You're a hard one

C Cm
I know that you've got your reasons

G B7 Em
These things that are pleasin' you

Am D7 G B7
Can hurt you some how

Em Bm
Don't you draw the queen of diamonds boy

C D7 G
She'll beat you if she's able

Em C G D
The queen of hearts is always your best bet

Em Bm
Now it seems to me that some fine things

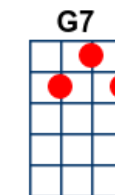

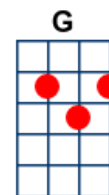

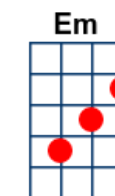

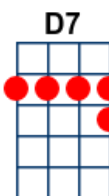

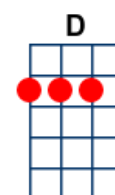

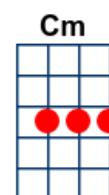

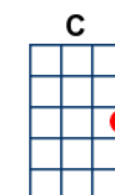

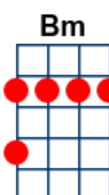

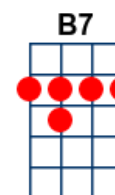

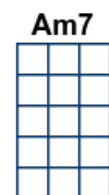

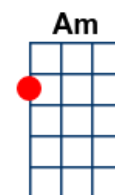

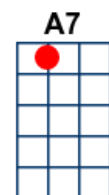

C D7 G
Have been laid upon your table

Em A7 Am7 D7
But you only want the ones that you can't get

G G7 C Cm
Despe-rado you ain't getting no younger

G Em
Your pain and your hunger

A7 D7
They're driving you home

And freedom well that's just some people talking

Your prison is walking through

This world all alone

Don't your feet get cold in the winter time

The sky won't snow and the sun won't shine

It's hard to tell the night time from the day

You're losing all your highs and lows

Ain't it funny how the feeling goes a-way

Despe-rado why don't you come to your senses

Come down from your fences open the gate

It may be rainin' but there's a rainbow above you

You better let somebody love you

Let somebody love you

You better let some-body love you

Be-fore it's too late
