

FIXING A HOLE - Lennon/McCartney

4/4

Intro: | | | | |

“Whoa” - to express surprise or astonishment.

I'm fixing a hole where the rain gets in and stops my mind from wandering

Where it will go whoa, whoa, whoa, whoa

I'm filling the cracks that ran through the door and kept my mind from wandering

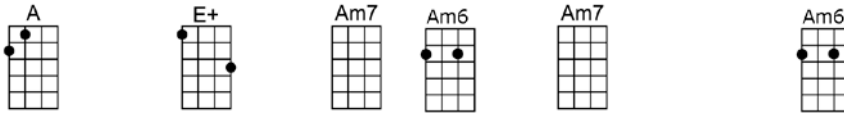

Where it will go whoa, whoa, whoa, whoa

And it really doesn't matter if I'm wrong, I'm right where I be-long,

I'm right where I be-long

See the people standing there who disagree, and never win,

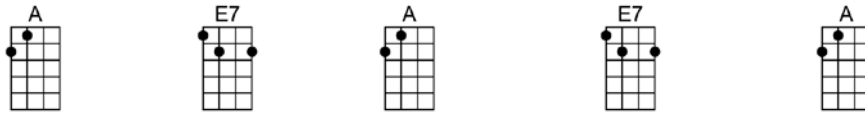

And wonder why they don't get in my door

I'm painting the room in a colorful way and when my mind is wandering,

There I will go whoa, whoa, whoa, whoa

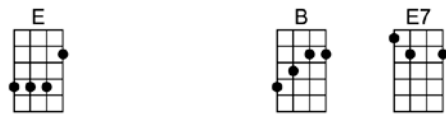

And it really doesn't matter if I'm wrong, I'm right where I be-long,

I'm right where I be-long

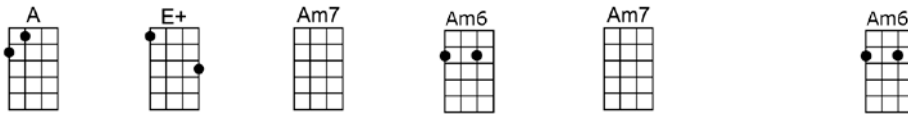

Silly people run around, they worry me and never ask me

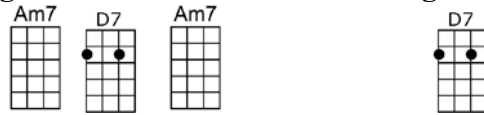

Why they don't get past my door

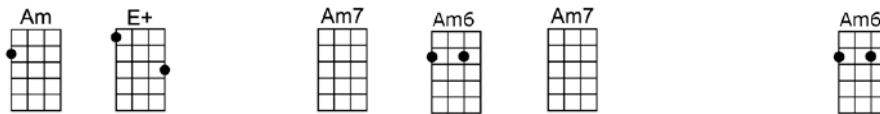

Slow down!

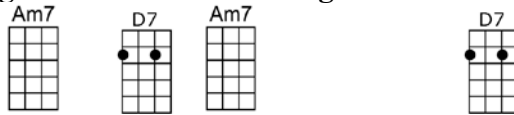

I'm taking the time for a number of things that weren't important yesterday

And I still go whoa, whoa, whoa, whoa

I'm fixing a hole where the rain gets in and stops my mind from wandering

Where it will go whoa, whoa, whoa, whoa

I'm fixing a hole where the rain gets in (repeat and fade)
