

# I Hold Your Hand in Mine

I (G7) hold your hand in (C) mine, dear,  
I (F) press it to my (C) lips  
I (E7) take a healthy (Am) bite from  
Your (D7) dainty finger- (G7) tips

My G7 joy would be complete (C) dear  
If (F) you were only (C) he- ee- re  
But (F) still I (G7) Keep your (C) hand in (Am) mine  
As a (F) precious (G7) souve- (C) nir

The (E7) night you died I (Am) cut it off  
I (E7) really Don't know (Am) why  
For (D7) now each time I (G) kiss it  
I get (D7) bloodstains on my (G7) tie

I'm sorry now I (C) killed you  
For our (F) love was something (C) fine  
And (F) till they (G7) come to (C) get me  
(Am) I shall (F) hold your (G7) hand in (C) mine
