ANNE =====

**F**  
Good-bye to you my trusted friend

We`ve known each other since we were **Gm** nine or ten,

**C7** Together we climbed hills and **F** trees,

learned of love and A B **C7** C's; skinned our hearts and skinned our

**F** knees. Good-bye my friend it`s hard to die,

when all the birds are singing **Gm** in the sky

**C7** Now that the spring is in the **F** air.

Pretty girls are every **Gm** where,

**C7** think of me and I`ll be

**F** there. We had joy, we had fun, we had

**Gm** seasons in the sun, but the

hills that we **C7** climbed were just seasons out of **F** time.

ADRIENNE =====

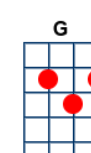

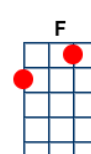

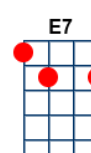

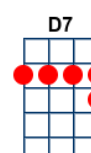

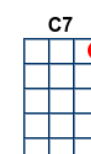

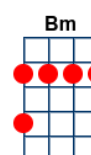

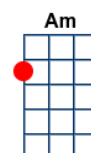

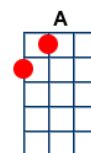

**F**  
Good-bye Papa, please pray for me. I was the

black sheep of the **Gm** family

**C7** You tried to teach me right from **F** wrong,

Too much wine and too much song; wonder how I got a- long.

Good-bye Papa it`s hard to die, when all the birds are singing **Gm** in the sky,

**C7**  
Now that the spring is in the **F** air.

Little children every where, when you, **Gm** see them I`ll be **C7**

**F** there. We had joy, we had fun, we had **Gm** seasons in the sun,

But the wine and the **C7** song like the seasons have all **F** gone.

ANNE =====

**F**  
Good-bye Michelle, my little one

You gave me love and helped me **Gm** find the sun,

**C7** and every time that I was **F** down.

You would always come **C7** around

And get my feet back on the **F** ground

Good-bye Michelle it`s hard to die, when all the birds are singing **Gm** in the sky,

**C7** Now that the spring is in the **F** air.

With the flowers everywhere, **Gm**

**C7** I wish that we could both be **F** there.

All our lives we had fun, we had **Gm** seasons in the sun,

but the stars we could **C7** reach were just starfish on the **F** beach.

ADRIENNE =====

We had **G** joy, we had fun, we had **Am** seasons in the sun,

But the hills that we **D7** climbed were just seasons out of **G** time.

We had **A** joy, we had fun, we had **Bm** seasons in the sun,

But the wine and the **E7** song like the seasons have all **A** gone. **E7** **A** -
