At last my dreams come true, today he said "I do"

E7 **Am** **E7** **Am**

Friends said it couldn't be done, but all his love I know I've won

C **Dm** **G7** **Dm** **G7** **C** **G7**

'cause 3rd finger, left hand, that's where he placed the wedding band

C **Am** **Dm** **G**

He walked right up to me and pledged his love for me

E7 **Am** **Dm** **G**

I longed to hear him say, the sweet words he spoke that day

C **Am** **Dm** **G**

Made me feel so good inside, the tears came to my eyes

E7 **Am** **Dm** **G**

I love him above the rest, 'cause in my book he's the best

C **F**

'Cause he did something that no one else did

E7 **Am** **E7** **Am**

Friends said it couldn't be done, but all his love I know I've won

C **Dm** **G7** **Dm** **G7** **C**

'cause 3rd finger, left hand, that's where he placed the wedding band

C **Am** **Dm** **G**

His words were precious few, but all along my heart knew

E7 **Am** **Dm** **G**

That no other boys in line, could ever change my mind

C **Am** **Dm** **G**

Other boys I sent away, I locked my heart till our wedding day

E7 **Am** **Dm** **G**

I love him above the rest, 'cause in my book he's the best

C **F**

'Cause he did something that no one else did
