You say you got my number from a friend

now you're at my door just dying to get in

but you don't know the fire from the wood

**G**

**D**

**G**

and you can come on in but I don't think you should

Now I'm not gonna say I'm keeping score

but you should know I've been in love before

**Em**

**C**

and the sequel's never equal to the first

**G**

**D**

you can come on in but this one's gonna hurt

[Solo]

**G C G Em C G D G**

So there you are again outside my door

a little puppy dog just waiting round for more

**Em** **C**  
you can sniff around all day and not find my heart

**G** **D** **G**  
you can come on in but this one's gonna smart

[Bridge]

**G**

Now is it Friday night and you are all alone

'cause you're sitting there just waiting by the phone

**Em** **C**  
I'm gonna stop you there 'cause it might never ring

**G** **D** **G**  
oh you can come on in but this one's gonna sting

[Solo]

**G Em C G D G**

[Chorus]

**G**

So there you are again outside my door

a little puppy dog just waiting round for more

**Em** **C**  
you can sniff around all day and not find my heart

you can come on in but this one's gonna smart
