There were bells on the hill, but I never heard them ringing

No, I never heard them at all till there was you

Solo Melody

There were birds in the sky but I never saw them winging

No, I never saw them at all till there was you

And there was music and there were wonderful roses, they tell me

In sweet fragrant meadows of dawn, and dew,

There was love all a-round, but I never heard it singing,

1. No, I never heard it at all, till there was you (repeat the song)

2. No, I never heard it at all, till there was you till there was you

Till there was you
