

Torn Between Two Lovers (1976)

There are [Am] times when a [D] woman has to [G] say what's on her mind
Even [Am] though she knows how [D7] much it's gonna [G] hurt
[Am] Before I say another [D7] word, let me [G] tell you I [Em] love you
Let me [Am] hold you close and [C] say these words as [Am] gently as I [D] can [D7]

[Am] There's been another [D] man that I've [G] needed and I've loved,
[Am] but that doesn't [D7] mean I love you [G] less,
And he [Am] knows he can't pos-[D]sess me, and he [G] knows he never [Em] will,
There's just this [Am] empty place in-[C] side of me that [Am] only he can [D] fill. [D7]

CHORUS

[Am] Torn between two [D7] lovers [Bm] feeling like a [E] fool,
[Am] Loving [D7] both of you is [G] breaking all the [E] rules.
[Am] Torn between two [D7] lovers [Bm] feeling like a [E] fool,
[Am] loving you both is [D7] breaking all the [G] rules.

[Am] You mustn't think you've [D] failed me
Just be-[G] cause there's someone else,
You were the [Am] first real [D7] love I ever [G] had.
[Am] and all the things I ever [D] said, I [G] swear they still are [Em] true,
For [Am] no one else can [C] have the part of [Am] me I gave to [D] you. [D7]

CHORUS

[Am] I couldn't really [D] blame you, if you [G] turned and walked a-[Em] way
But with [Am] everything I [C] feel inside I'm [Am] asking you to [D] stay! [D7]

CHORUS
